

River Raiders: Anglo-Saxon and Viking East Anglia

Many thanks for participating in the *Anglo-Saxon and Viking East Anglia* Zoom seminar on 25th September. Set out below you will find a series of references to books and articles about different aspects of the subjects covered. Many of the resources are available online, and links are also provided,

As mentioned during the seminar, if any of you would like to volunteer to undertake further research and contribute towards the project booklet, interpretation panel and museum exhibition then please do get in touch. I am planning to make a start on this with a series of smaller Zoom sessions in the weeks following the *Reading the Anglo-Saxon and Viking Landscape* session on 21st October.
